## ENGLISH FOR AVIATION COURSE

LEARNKEY TRAINING INSTITUTE

English for Aviation Course in Malta

The English for Aviation course helps students develop the very specific skills described in the ICAO Level Language profile of English.

This Aviation English course is mainly for prospective pilots, air traffic controllers and those who need to use the English language in an environment connected to the aviation industry.

The main course content incorporates all the necessary elements of pronunciation, structure, vocabulary, fluency, comprehension and interaction.

The course content assists the process of rapid learning and functional development whilst language and skills development are reinforced through specialised drills practice.

Some of the topics which are tackled during the course involve situations related to:

Airport layout and ground operations

Aircraft Technology

Health and medical emergencies

Accidents, technical faults and solutions

Flight control systems

Flight physics

Animal hazards

## Payment Terms

Deposit 100 euro

Balance on 1<sup>st</sup> day of course

## Lessons

Lessons twice a week, course duration: three months

Tuesday from 6:00pm till 7:30pm

Thursday from 4:00pm till 5:30pm
