# MQF Level 5 UK Level 4 Diploma in Tourism and Hospitality Management 120 Credits | 60 ECTS

## Overview

The objective of this Diploma is to support learners' development as managers within the tourism and hospitality industry. The qualification enables learners to develop their knowledge of theories applicable to management in the tourism and hospitality industry. It enables learners to make well-informed and confident decisions about the management of work areas in the tourism and hospitality industry. Successful completion of this Diploma will provide learners with the opportunity to progress to further study or employment.

## Entry Requirements

- Students must be at least 18 years old or older at the time of entering the program.
- It is essential that applicants demonstrate a strong command of the English language upon entry to the course.
