# ACCOMMODATION

## SHARED SELF CATERING APARTMENTS

If you'd prefer the freedom of an apartment, then our shared self-catering apartments could be ideal for your time in Malta. Generally located within walking distance of the school, each apartment has various facilities, including a fully-equipped kitchen, a living and dining area, free Wi-Fi in the common area, and comfortable bedrooms.

All of the apartments are self-catering so meals are not included, which means you could choose to cook for yourself, to combine meals with your flat mates, or to check out the nearby cafés and restaurants.

This is actually a great way of making friends, and gives you plenty of opportunities to practice your English skills.

Single rooms, twin rooms and triple/quad rooms are available and you can also request to share with students from different countries, which will give you more opportunities to practice speaking in English

## HOMESTAY

If you'd really like to immerse yourself in the English-speaking experience, what better way is there than by staying with an English-speaking family?

Throughout your stay, you'll join your hosts for meals and have plenty of opportunities to chat, while living in a welcoming environment that will come to feel like a home away from home.

Of course you'll also have plenty of freedom to explore Malta at your own pace, possibly taking the advice of your hosts as they make their suggestions for the places you should visit while you're here. Different host families offer a variety of facilities, but will always include breakfast and dinner every day, as well as an optional packed lunch. Most homestay rooms accommodate up to four students, though single rooms are usually available at an additional cost

## HOTELS

If you're looking for complete freedom, your own space, and a range of leisure amenities, then a hotel may be the right accommodation choice for you.

Malta is known for its hospitality, and there is a fantastic range of hotels within easy reach of Linguatime. These hotels, which include establishments in the three-, four- and five-star categories, are all located in Sliema and St Julian's, giving you easy access to nearby sights and attractions. While the facilities available depend on your budget and chosen hotel, most offer excellent amenities for your stay.

These include en-suite bathrooms, swimming pools, sea views, concierge services, and in-house restaurants, as well as 24-hour room service, Wi-Fi and high speed Internet access, and safety deposit boxes are usually at a charge.

# SOCIAL

# ACTIVITIES

It is not just fun, it's also an integral part of learning English, allowing you to put your new skills to use. Our staff help students to integrate with each other, making lifelong connections and friendships and practicing English with friends.
