2 INTRODUCTION INTRODUCTION

The Maltese archipelago lies virtually at the centre of the Mediterranean, 93 km south of Sicily and 288 km north of Africa.

The archipelago consists of three islands: Malta, Gozo and Comino with a total population of over 400,000 inhabitants occupying an area of 316 square kilometers.

Malta is the largest island and the cultural, commercial and administrative centre. Gozo is the second largest island and is more rural, characterised by showing tourism, crafts and agriculture. Comino, the smallest of the trio, has one hotel and is largely uninhabited.

Malta's capital Valletta, is the smallest capital city of Europe and has been voted European Capital of Culture in 2018.

Malta's climate is typical of the Mediterranean and is strongly influenced by the sea.

The Maltese Islands have a pleasantly sunny climate with a daily average of around 12 hours sunshine in summer going down to 5 to 6 hours in mid-winter.

With superbly sunny weather, attractive beaches, a thriving nightlife and 7,000 years of intriguing history, there is a great deal to see and do.

Italy is a southern European country, part of the European Union (EU).

Its territory consists of the Italian Peninsula and two large islands in the Mediterranean Sea: Sicily and Sardinia. Surrounded in the north by the Alps, it borders France, Switzerland, Austria and Slovenia.

studies

The city of Rome, the capital of Italy, is home to the largest number of historical and architectural monuments in the world, many of them inherited by the Roman Empire, as well as being the cradle of one of the most important periods, the Renaissance.

The climate is Mediterranean on the coast and continental in northern Italy. Spring and autumn are mild and regularly rainy. In northern Italy, summers are warm and dry and winters cold. On the coasts, the climate is temperate in winter; the summer is very sunny and very warm with more than 40° C temperature in some areas.

Italy offers a cultural wealth that makes it an attractive destination to study abroad. The beauty of its landscapes, the cultural richness of its cities and the charisma of its inhabitants complete a unique experience of living.

REASONS TO CHOOSE EUROPEAN CAPITAL OF CULTURE

LOCATION IN MALTA

Learnkey is located in Birkirkara, the largest city and most important commercial area in Malta. Birkirkara is modern but the town has still kept some of its traditional Maltese characteristics of narrow streets and alleys.

The city's older part is separated from the newer part by a small garden. Malta's perhaps most beautiful church, St Helen Basilica can also be found in this town.

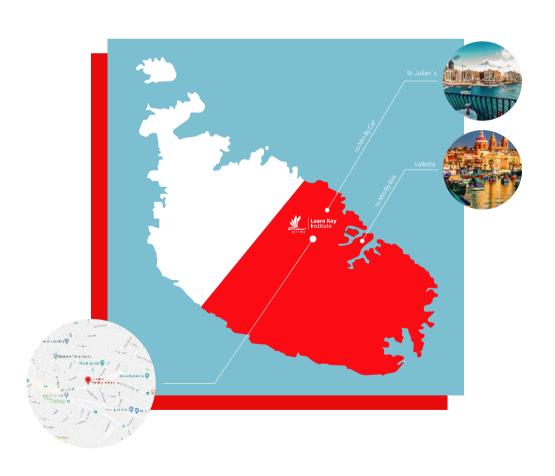

Besides its beauty, the church is also famous for having Malta's largest bell. Birkirkara is located in the centre of Malta, it is well served by public transport and it's only a few minutes away from St. Julian's, Sliema and Pembroke.

All units within this qualification are internally assessed by the centre and externally verified by OTHM. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes.

To achieve a 'pass' for a unit, learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria. Judgement that the learners have successfully fulfilled the assessment criteria is made by the Assessor.

The Assessor should provide an audit trail showing how the judgement of the learners' overall achievement has been met.
