🎓 How to create an account for the Erasmus+ App (Higher Education)

1. Download the Erasmus+ App

   Go to **Google Play** (Android) or the **App Store** (iOS)

   Search for **"Erasmus+ App"** (official EU app)

   Install it

2. Open the app & choose "Log in / Sign up"

   When you open the app, tap **Log in**

   You'll be redirected to **EU Login** (the European Commission's system)

3. Create an EU Login account

If you **don't already have one**:

   Click **"Create an account"**

   Enter:

   > Your **email address** (use the same one your university will use, if possible)
   > First name & last name

   Confirm via the **email link** you receive

   Create your **password**

That's it — your **EU Login = your Erasmus+ App account**

4. Log back into the Erasmus+ App

   Use:

   > **Email** + **password** from EU Login

   Accept terms & permission

5. Connect your studies / mobility

Once logged in, you can:

   Select **Higher Education**

   Enter your **home university**

   Link your **Erasmus mobility** (your university usually sends you a link or code)

   Access:

   > Learning Agreement (Online Learning Agreement – OLA)
   > Grant info
   > Timeline & notifications
   > Tips about host countries

Important things to know

   ❗ You **must be nominated by your university** for Erasmus+ mobility for full access

   ❗ If you're not yet selected, you can still explore the app, but features will be limited

   ✅ Use the **same email** your university has on file to avoid issues
