Overview of course:

The objective of this course ACCA (TX) Local version is to familiarise students with the core tax concepts such as income tax, corporate tax, personal tax, social security contributions, VAT and others, and to teach them how these are being applied under the Maltese laws.

Courses focuses on:

- The Maltese tax system and its administration
- Income tax liabilities
- Corporate income tax liabilities
- Tax liabilities on the disposal of capital assets by individuals and companies
- Social security contributions
- Value-added tax
- Employability and technology skills

This qualification is ideal for:

- Either have completed Applied Knowledge exams (BT to MA)
- Or hold a relevant Accounting, Finance, or similar degree
- To gain knowledge in all areas of Taxation

What do you need to start this course:

- 18 years or older at the beginning of the course and have good knowledge of English and have already successfully completed the ACCA Level 5 Diploma in Accounting & Business

Course duration:

12
weeks

24
sessions

Which include 4
revision sessions
at the end of the
course

Assesment:

ACCA Taxation (TX) is the so-called 'session CBE', meaning that you can sit for it only during sessions published by ACCA. Exams are held 1st Week of June or 1st Week of December. Our tutors will guide you through the exam application procedure and share some useful tips throughout the course. To make you acquainted with the exam structure, we will hold a mock exam and 4 revision sessions at the end of the course.

Progression routes:

On completing and passing exams of ACCA (TX) one can further study to obtain the Advanced Diploma in Accounting and Business by covering 5 more units from (LW-FM).

Is Government funding available for this qualification?

YES this course falls under the

- GET QUALIFIED scheme which is an initiative that supports the personal development of individuals for the achievement of qualifications and certifications required by industry. The incentive is applicable to individuals following a course of studies leading to a Certification, Diploma, Degree or Post-Graduate Degree Courses. Upon successful completion the student will benefit from a tax credit enabling them to recover part of the costs incurred.
